

Birko Domestic & Commercial Urns

Safe and reliable portable urns

A size to suit any need. Polished stainless steel body with vented cool-to-touch, twist-to-lock lid.

BOILING

High quality & low maintenance – double walled polished stainless steel body with vented, stainless steel twist-to-lock lid. High quality composite thermoplastic base and handles for added strength and longevity.

Concealed element – quick recovery, superior corrosion resistance and effortless cleaning, the element is replaceable on the 10, 20 and 30L models.

Temperature control – thermostat has variable settings, for greater temperature control.

Safety – over temperature protection device turns off the power if the urn boils dry.

Standard inclusions – heating and ready indicator lights, on/off switch, water level sight glass, heat-resistant knobs, easy-lift safety handles and chrome plated brass non-drip tap, 12 month warranty.
