Char Broilers

Thor Gas Range answers the needs of modern, busy catering establishments for reliable, well built equipment that offers flexibility, performance, style and value for money. Thor equipment has been designed with safety, ease of operation and performance as paramount. Thor has a stylish and robust modular design, constructed of high quality brushed stainless steel, large “cool to touch” dials, large heavy duty adjustable feet and easy to clean and remove accessories.

The Thor char broiler is available in Radiant or Lava Rock configurations and ideal for cooking steaks, chops, hamburgers and seafood. The Thor char broiler is a sturdy reliable option for the increasing demand of char grilled food.
